## The Biopharma & Life Sciences Stage

Times	Name	Topic
9.25-9.30	Padraig Hyland, CEO, The Core Story	Opening Remarks
9.30-9.50	Guglielmo Iozzia, Associate Director – Applied Mathematics and Modelling Data Science – ML/AI, MSD	Reasons why you couldn't (or shouldn't?) use generalist LLMs in the Pharma space
9.50-10.10	Jason Kelly, Applications Director, Lighthouse Worldwide Solutions	EU GMP Annex 1: Continuous Environmental Monitoring Challenges in the Cleanroom
10.10-10.30	Sinead Keogh, Director, BioPharmaChem Ireland	Biopharma Sector in Ireland: Priorities, Challenges and Opportunities
10.30-11.10	<b>Moderator:</b> Padraig Hyland, CEO, The Core Story <b>Panellists:</b> Una Feeney, Global Occupational Health and Wellbeing Strategist, Eli Lilly, Annemarie Slattery, Head of Talent and Organisational Development, EirGen, Susan Costello, Network Director, BioPharmaChem Skillnet & Siobhán Dean, Senior Executive, BioPharmaChem Ireland	Retention of Talent & Leaders in The Biopharma & Life Sciences Industry
11.10-11.25	<b>COFFEE BREAK &amp; NETWORKING</b>	
11.25-12.10	<b>Moderator:</b> Matt Moran, Consultant <b>Panellists:</b> Ian Jones, Founder & President, Innoglobal, Vikram Kunnath, Technology Consulting Partner, EY, Paul McCabe, Chief Operating Officer, VLE Therapeutics & John O'Brien, Head of Engineering, Biomarin"	Shaping the Future: Dynamic Trends and Challenges in Ireland's Biopharma Manufacturing Sphere and Q&A
12.10-12.30	Ryan Griffin, Head of Operations - Supply Chains, Abbvie Group	TBC
12.30-12.50	Chris Neasham, Global Procurement Manager, Almac Group	Impacting Change in our Supply Chains for Sustainability Gains
12.50-13.10	Conor McAlonan, Maintenance Planner, MSD Ireland	Being the Gatekeeper: The New Industrial Age and how to keep Pharmaceutical Supply Chains moving
13.10-13.30	Dr Ciarán Seoighe, Deputy Director General, SFI	The Critical Role of Research in Building a Sustainable Future
13.30-14.10	<b>LUNCH &amp; NETWORKING</b>	
14.10-14.15	Mid-Day Remarks with David Keniry, Keniry Advisory Services	
14.15-15.00	<b>Moderator:</b> Laura Stakelum, Managing Director, Stakelum Consultancy <b>Panellists:</b> Barry O'Sullivan, Chairman, Shannon Estuary Economic Taskforce, Barry Walsh, Country Manager – Ireland, European Energy A/S & Philip Connolly, Associate Director - Sustainable Futures, KPMG Ireland	Powerful agreement: How Ireland's Gigawatts of Renewable Energy Resources can Power Growth & Reduce Emissions
15.00-15.20	Neeharika Dayyala, Principal Business Consultant, Expleo Group	AI & Beyond: Evolving CSV & CQV
15.20-15.40	Evin Allen, Lecturer in Industrial Pharmaceuticals, University College Cork	The development of a multidisciplinary programme and T-shaped graduate to meet industries needs
15.40-15.45	Padraig Hyland, CEO, The Core Story	Closing Remarks

## Sustainability Stage

Times	Name	Topic
9.25-9.30	Ronan Staunton, Managing Director, Healthfield Consulting	Opening Remarks
9.30-9.50	Desmond O'Sullivan, VP Business Development EMEA, Optel Group	The Future of Supply Chains
9.50-10.10	Patrick Falvey, Principal Consultant, Latham BioPharm Group	Eco-Friendly Manufacturing
10.10-10.30	Terri Love, Senior MSAT Biomanufacturing Engineer, Merck Life Science	TBC
10.30-10.50	Philip Connolly, Associate Director, KPMG Sustainable Futures	Decarbonising high temperature heat with biomethane
10.50-11.10	<b>COFFEE BREAK &amp; NETWORKING</b>	
11.10-11.30	Graham O'Reilly, Project Manager, Camfil	Fan Filter units for Clean Processes.
11.30-11.50	Ronan Staunton, Managing Director, Healthfield Consulting	The MICE Principle. 4 Practical Ways to build a Sustainable Supply Chain in Healthcare
11.50-12.10	Thijis Derksen, Supply Chain Director Ireland, The HEINEKEN Company	Brew a Better World
12.10-12.30	Peter Kelly, CEO, Pharmafilter GH Ltd	Pharmafilter advanced purification of Pharmaceutical wastewater and decontamination of waste on-site
12.30-12.50	David Doyle, Sales Engineer, Butler Technologies	See What You Cant See and Cant Hear.
12.50-13.30	<b>LUNCH &amp; NETWORKING</b>	
13.30-13.50	Paul Coyne, Vice President of Business Development, Envetec Sustainable Technologies	Rethinking Waste: Sustainable Treatment of Biohazardous Material
13.50-14.10	Frank Sage, EU Business Development Manager, Exergy LLC	Safe, Sterile, Sustainable and Smart WFI Distribution with Exergy Point-of-Use Cooling Systems
14.10-14.30	Mike Dingle, Senior Product Specialist, TSI Incorporated	Biofluorescent Particle Counting - A Solution for Meeting Annex 1 Viable Air Testing Requirements
14.30-14.50	Paul Denny-Gouldson, Chief Science and Technologist, Zifo Scientific Informatics Ireland	Transforming Electronic Batch Release – process orchestration and integrating ERP, QC labs testing and product release - efficiency and process insights
14.50-15.10	Jennifer Bailey, Senior Technical Writer, TWi & Rahel Bailie, Content Solutions Director, TWi	How intelligent content can sustainably underpin Industry 5.0 manufacturing
15.10-15.30	Dr. Matthew Haley, Account Manager - Dublin & North-West UK, ZEISS	Solutions, Tools and Technology Development for Biotech and Pharma Companies both Old and New
15.30-15.35	Ronan Staunton, Managing Director, Healthfield Consulting	Closing Remarks

## Digital Transformation Stage

Times	Name	Topic
9.25-9.30	Paul Denny-Gouldson, Chief Science and Technologist, Zifo Scientific Informatics Ireland	Opening Remarks
9.30-9.50	Paul Denny-Gouldson, Chief Science and Technologist, Zifo Scientific Informatics Ireland	A Digital Transformation Journey in Manufacturing - is it possible and how?
9.50-10.10	Ger Carton, CEO, PlantQuest	Digitizing Brownfield Facilities
10.10-10.30	Tony Clarke, Senior Vice President of Digital Operations, ICON Clinical Research	GenAI use within Biopharma and Life Sciences Industries
10.30-10.50	John McKeon, Founder & CEO, Gallarus Industry Solutions	Digital Transformation & The Unified Namespace
10.50-11.10	<b>COFFEE BREAK &amp; NETWORKING</b>	
11.10-11.30	Peter Blennerhassett, Co-Founder, Blynksolve	A Unified Knowledge Space - Accelerating Tech Transfer
11.30-11.50	Siobhan Fleming, Digital Transformation Leader in Pharmaceutical Manufacturing, Siemens	Unleashing the Power of Digital Laboratory to Achieve Innovation, Efficiency and Speed to Market
11.50-12.10	Bharat Sharma, CEO & Founder, Monsoon Consulting	The Digital Shift: Accelerating B2B Commerce in Biopharma
12.10-12.50	<b>Moderator:</b> Siobhan Fleming, Digital Transformation Leader in Pharmaceutical Manufacturing, Siemens <b>Panellists:</b> Lee Sherlock, CEO & Co-Founder, Meta-Flux, Peter Blennerhassett, Co-Founder, Blynksolve, Jürgen Weichenberger, VP AI – New Value Streams, Schneider Electric & Damien Costello, Director of Life Sciences, Expleo Group	Future Technologies in Biopharma and Life Sciences: Streamlining Operations
12.50-13.30	<b>LUNCH &amp; NETWORKING</b>	
13.30-13.50	Brian Harrison, Managing Director, HiTech Health	Are Advanced Medicines including Cell and Gene Therapies the future of medicine?
13.50-14.10	Kieran Towey, Applied Intelligence Lead, KPMG Ireland	Data & AI, the new silver bullet?
14.10-14.30	Gary Tyne, Director, Pro-Reliability Solutions Ltd.	Is your Asset Maintenance Strategy Optimized for Lowest Cost and Risk?
14.30-14.50	Donal Sullivan, CEO, CompuCal Calibration Solutions	Go Digital & Mobile for Complex Workflows
14.50-15.10	Dr Martin O'Neill, Assistant Lecturer, Atlantic Technological University	Comparison of machine learning and classical statistics in predicting health outcomes in a lifestyle modification programme for obesity
15.10-15.30	Damian White, CTO, DataLogiX	OT Cybersecurity Resilience in Pharmaceutical Manufacturing
15.30-15.35	Casey Mchugh, Event Manager, Premier Publishing & Events	Closing Remarks
